2018 TRAINING OPPORTUNITIES IN SPVET

The TEVET Authority is an organization which regulates and facilitates the Technical, Entrepreneurial and Vocational, Education and Training (TEVET) system including the Apprenticeship Scheme in Malawi. The Apprenticeship scheme follows a Competency Based Education and Training (CBET) methodology of delivery. The approach is modular and has a system of continuous and summative assessment. Competences are attainable at an institution and in industry during attachment. The trainee is assessed as competent only if a competence is demonstrated according to standards specified by the industry.

The training programs in various occupations have a maximum duration of **3 years** within which the qualifications listed below may be obtained.

1. Malawi TEVET Foundation Certificate - (Level 1)
2. Malawi TEVET Intermediate Certificate - (Level 2)
3. Malawi TEVET Advanced Certificate - (Level 3)

An opportunity has now arisen to recruit trainees to fill vacant spaces in SPVET at three Technical Colleges in the northern region for the 2018 Academic Year (Level 1) as detailed in the table below.

Table 1: Implementing Colleges and spaces available

COLLEGE/INSTITUTION	PLACES AVAILABLE
